DEAR PROSPECTIVE PARTNER,

Thank you for your interest in partnering with Child Justice! There are many ways to help protect Maryland's most vulnerable children. Law firms, local businesses, and solo practitioners are invited to join us as we work to protect children from abuse. Whether you want to take a case on a pro bono basis, make a tax-deductible financial contribution to our legal services program, or sponsor our annual event, we appreciate your support.

Enclosed in this packet is information about our nonprofit legal services organization. Please reach out if you have any questions about our work, or if you are interested in partnering with us. It truly takes a village to do this important work.

About Child Justice

Our Founding

Since 2001, first as Justice for Children, and since September 2012 as Child Justice, we have worked with dedicated pro bono attorneys in top law firms to provide access to justice and give children the gift of a stable, nurturing life with a loving and safe parent or guardian. With our own full time staff attorneys, we are now able to provide direct legal representation to protective parents.

Mission and Vision

OUR MISSION is to protect and advocate for children who have been abused or affected by family violence or coercive control; to support them and their protective parents; and to promote justice for them through legal services, community outreach, education, and policy recommendations.

OUR VISION is a future in which every child's right to safety, dignity, and self-hood in a nurturing family is honored and protected.

Pro Bono Partnerships

Child Justice partners with well-respected law firms and family law practitioners to provide legal services for non-offending, protective parents in civil family law or protective order cases involving child custody and access. These cases must have supporting evidence of one or more of the following: coercive control, domestic violence, child physical and/or sexual abuse, or neglect by the alleged abusive parent.

Pro bono attorneys educate judges, create new case law, and lay the groundwork for improving public policy and forging awareness of the gaps and failures in the way our society protects children. Join us.

Event Sponsorship

Heroes of Child Justice 2024

Heroes of Child Justice is an invite-only event that honors attorneys, educators, government leaders, advocates, and major partners, while raising much-needed funds for our legal services program.

It was last held in 2018 with a concert featuring Johnny Mathis. We are thrilled to announce the return of *Heroes of Child Justice* in 2024, which will recognize Steny H. Hoyer's nearly 50 years of public service, as well as his unwavering commitment to the protection of abused children. This exclusive event will be held on May 18 at a private residence in St. Mary's County.

Sponsorship opportunities are available on a very limited basis, and include tickets to the event. Contact us to discuss options and to customize your package.
