About Child Justice

Our Founding

Since 2001, first as Justice for Children, and since September 2012 as Child Justice, we have worked with dedicated pro bono attorneys in top law firms to provide access to justice and give children the gift of a stable, nurturing life with a loving and safe parent or guardian. With our own full time in-house staff attorneys and paralegals, we provide direct legal representation to protective caregivers.

Mission and Vision

OUR MISSION is to protect and advocate for children who have been abused or affected by family violence or coercive control; to support them and their protective parents; and to promote justice for them through legal services, community outreach, education, and policy recommendations.

OUR VISION is a future in which every child's right to safety, dignity, and self-hood in a nurturing family is honored and protected.

Pro Bono Partnerships

Child Justice collaborates with corporate law firms and family law practitioners to provide legal representation for non-offending, protective caregivers in civil family law and protective order cases involving child custody and access. These cases must include supporting evidence of one or more of the following: coercive control, domestic violence, child physical and/or sexual abuse, or neglect by the alleged abusive parent.

By taking on pro bono cases, attorneys help educate judges, shape case law, and drive systemic change to improve public policy and raise awareness of the gaps in child protection. Join us in making a difference.

Event Sponsorship

Heroes of Child Justice 2025

Heroes of Child Justice is our signature fundraising and awareness event that honors attorneys, educators, government leaders, advocates, and major partners, while raising much-needed funds for our legal services program.

In 2024, the event was held at the private residence of the Honorable Steny H. Hoyer in St. Mary's County. More than 100 guests gathered to honor Congressman Hoyer's nearly 50 years of public service, raising over \$110,000.

The 2025 event will take place on Saturday, September 13, 2025 at Bembe Beach in Annapolis, Maryland.

Sponsorship opportunities are available on a limited basis, and include tickets to the event. Contact us to discuss options and to customize your package.
